The remaining 50% consultation to review your voice demos and skills, followed by is due after you approve the final character selection. Voice call voice demo. over Discord

Script Review Approve and Voice Act If you have any feedback on the script, please reach out to me with your concerns; otherwise, feel free to start voice acting! **Sound Design Music Selection Send Voice lines** One File independent independent Sound design selection licensed Music selection licensed for When you send the Voice Demos for commercial use (over discord) make sure they are commercial use in one File using AAA-BBB-CCC format **Final Changes Final Approval and payment**

30 minutes in Voice call

Once the project is complete, we'll review each sound, volume level, and voice correction. During this call, we'll make final adjustments and discuss any additional suggestions. If no further changes are required, we'll proceed to final approval and payment before delivering your Voice Demo File.

Ending!

Voice Demo file sent after final payment.
